

Jamborette – things to pack

Clothes

- 2 Pairs jeans and Uniform pants and preferably 1 pair shorts (it may be warm enough on one or more days to wear shorts and short-sleeved shirts). At least one pair of pants and/or shorts should be old clothes, as some of the activities may well modify those clothes beyond recognition!
- At least 2 pairs of shoes/runners. One pair should be an old/expendable pair for activities.
- 2 spare shirts and uniform shirt, and preferably 1 T-shirt (as above). Again, at least one shirt and/or T-shirt should be old/expendable.
- At least 3 pairs underwear and preferably 4 pairs socks, as well as undershirts or singlets as desired.
- Pyjamas (but see also comments relating to sleeping bags below)
- 1 or 2 Jumpers or sloppy joes or fleecy jacket
- Parka and/or Poncho (Parka provides more heat, but a poncho may do if enough other warm clothes are brought).
